Subject: Those on the Frontlines of Alzheimer's and Dementia: Boca Raton  
Premiere

Dear Keith,

Thank you for including Alzheimer's Community Care as a part of the premiere showing of your film "Those on the Front Lines of Alzheimer's and Dementia" in Boca Raton on November 4th. Your comprehensive approach to the subject matter was beautifully presented and should be mandatory viewing for both caregivers and medical professionals. The stories were powerful, the research was relevant, and the advice and guidance are needed. With South Florida being disproportionately impacted by Alzheimer's disease, this is a message that needs to be broadcasted, and I am honored that you chose to do so hand-in-hand with Alzheimer's Community Care.

Congratulations on a successful screening (over a 100 people in attendance by my count), and best of luck moving forward. If Alzheimer's Community Care can ever be of assistance to you, please do not hesitate to reach out to me directly. I would welcome the opportunity to partner again someday soon.

Best Regards,

  
Mary M. Barnes,  
President & CEO

*P.S. Again, Thank You!*
